

# SHINING TIMES

VOLUME 3, ISSUE 12      DECEMBER 2011

Next Club Shoot is 17 December 2011

Registration: 9:00      Meeting: 9:30

Bring your own lunch. If you'd like to, bring a pop up shelter and a table to load from. We're meeting again at the Hopewell site.

Bring your lunch and a treat to share for the December meeting.

## SPECIAL DECEMBER EVENTS!

For the December shoot, we will be combining two club traditions - the turkey shoot and the gift exchange.

The turkey shoot usually happens during the November shoot, but it was decided that we should wait until December. Take a shot (or several) and get your chance to win one of several gift

certificates that you can put towards your family feast for the holidays (maybe this should be renamed the "ham shoot"?). We have prizes for different divisions of shooters. Bring your sharp eye and best rifle.

In addition to the turkey shoot, we will have our annual gift exchange with a rendezvous twist. Bring

your wrapped gift and place it on the blanket. Gifts will be drawn off the blanket based on how you shoot. Gifts do not need to be period correct, but should be wrapped. Generally, there is a cap of about ten dollars on the gifts.

In addition to all of the shooting, bring a holiday snack to share!

## WEBSITE REDESIGN

Since I've been doing the newsletter, I'm also (slowly) taking over the club website from Mad Dog.

I'm hoping to spend some time over my winter "break" to retool some of

the website features including getting rid of antiquated information. I'm looking for suggestions and ideas of things that we should add to the website.

Keep in mind I am pretty much a novice when it

comes to web design, but I'm willing to learn.

I am looking at updating and expanding our links page, adding more information about the club and the club activities, adding pictures, etcetera. (cont., pg. 2)

### November 2011

#### Member of the Month

Hooter extravaganza month for our members of the month. This month, the club honors **Just Frank, Doc and Red Coat** for their contributions of getting the hooter to the Hopewell site. Just Frank brought the hooter to the site in his truck and Doc and Red Coat helped the club purchase a trailer for the hooter which will make it much easier to transport it in the future. Thank you!

## CLUB OFFICERS

If you have any ideas, photos, links, or general suggestions, please contact me and let me know.

Along with that, if anyone has information that they would like to be in the newsletter, feel free to contact me. Generally, I try to get the newsletter out to the club about two weeks before the next club shoot. I'm always looking for good information to share with the club.
